## Bayfield Mews OPEN HOUSE

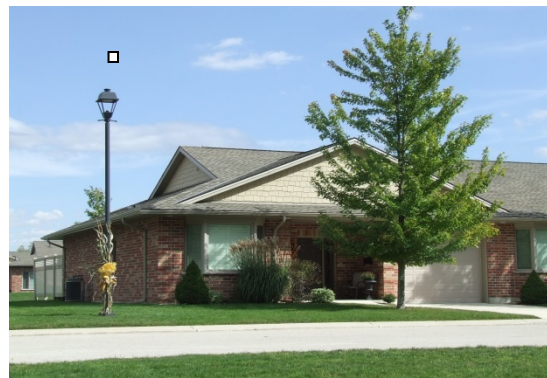

Saturdays and Sundays 1pm-3pm

With all the constructed homes spoken for and occupied, Bayfield Mews no longer has a model home. A group of outstanding volunteers will welcome you into their home and answer all of your questions. Look for the open house flag!

New models have been created for the new phase. Visit website [www.bayfieldmews.ca](http://www.bayfieldmews.ca) to see floor plans for the Aspen, Birch, Cottonwood and Maple models.

39 Bayfield Mews Lane

This unit, constructed in 2009, is a Columbine Model. It includes Standard features; 1355 sq ft living space, 2 bedrooms, 2 baths

12 x 20 garage, in-floor heating, A/C, and Air exchange. PLUS almost \$20,000 worth of upgrades! Appliances incl. See website or call for more information.

## Plans going forward for new Activity Centre

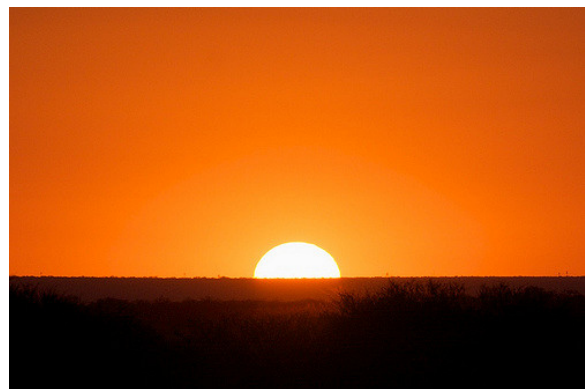

The Mews is eagerly awaiting the new activity Centre! Our numbers have grown, making holding events in a single home impossible. The joy of such activities as Bingo, Chili cook, Trivia night and holiday parties would not be possible without the generosity of the local united church, whom have graciously lent their hall. Research has revealed the desire for a Activity Centre that acts as a warm, hub for recreational, educational and social fellowship.

## Village Life

Beautiful summer weather has led into glorious fall splendour. The snow will soon fly. Mews residents don't have to worry about winter house maintenance or snow shovelling, leaving time to cuddle up in front of your gas fireplace (up grade) and enjoy the coziness of the heated flooring (standard). Bayfield has activities, indoor and outdoor throughout the winter.
