The time to plan is now!! All too often we hear that people **"should have done this sooner."**

"Had we known it was this simple we would have done it a long time ago"

Many say **"we're not ready for that yet!"**

Don't leave it too late! **Our beautiful, single level, worry free units are just what you are looking for.** As the number of retirees increases, the Life Lease ensures that your neighbours will appreciate your time line. Ask about our Life Lease.
